

TECHNICAL DATA SHEET

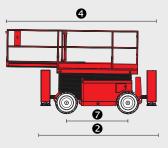

100	5 C
-----	------------

		100 SC
D	Working height	9.90 m
	Platform height	7.90 m
	Capacity	680 kg
	Number of persons (indoor/outdoor)	4/4
	Basket (width and length)	2.79 x 1.60 m
(°.,	1. Overall width	1.75 m
\sim	2. Overall length	3.76 m
	3. Overall height	2.59 m
	4. Overall length (with extension)	4.61 m
	5. Overall height when folded	1.92 m
	6. Ground clearance	0.24 m
	7. Wheelbase	2.29 m
	Inside turning circle	2.11 m
	Outside turning circle	4.60 m
0	Speed of forward movement	5.6 kph
-	Working speed	0.5 kph
	Lifting/Lowering time of ascent/descent	26/33 secs
Z	Maximum slope accessible	40 %
0	Tyres	26 x 12 x 380
9	Driving wheels	4
	Steering/directional wheels	2
2 Kg	Weight (varies according to options & standards of the country)	3701 kg
	Engine	KUBOTA D1105
	Power	25 HP
	Environmental noise (LwA)	105 dB

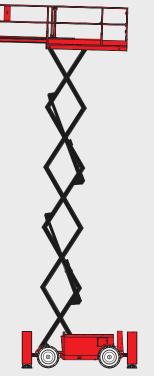

Standard equipment

Oscillating front axle Proportional levers Outriggers with automatic levelling Anti slip protection Access gate for platform Folding guardrails Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope Predisposition 230V	
Outriggers with automatic levelling Anti slip protection Access gate for platform Folding guardrails Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Oscillating front axle
Anti slip protection Access gate for platform Folding guardrails Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Proportional levers
Access gate for platform Folding guardrails Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Outriggers with automatic levelling
Folding guardrails Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Anti slip protection
Removable control box Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Access gate for platform
Audible and visual display alarm for excessive slope Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Folding guardrails
Descent Alarm Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Removable control box
Flashing lights Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Audible and visual display alarm for excessive slope
Foam filled tyres On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Descent Alarm
On Board Diagnostics Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Flashing lights
Hour meter Horn Beacon Audible and visual display alarm for excessive slope	Foam filled tyres
Horn Beacon Audible and visual display alarm for excessive slope	On Board Diagnostics
Beacon Audible and visual display alarm for excessive slope	Hour meter
Audible and visual display alarm for excessive slope	Horn
	Beacon
Predisposition 230V	Audible and visual display alarm for excessive slope
	Predisposition 230V

Optional equipment

optional equipment
Predisposition compressed air
Predisposition of water
Working light
Biodegradable oil
Warning Alarm for all movements
Non Marking tyres
Certificate of verification
Safety harness

This brochure describes versions and configuration options for MANITOU products which may be fitted with different equipment. The equipment described in this brochure may be standard, optional or not available depending on version. MANITOU reserves the right to change the specifications shown and described at any time and without prior warning. The manufacturer is not liable for the specifications given. For more information, contact your MANITOU dealer. Non-contractual document. Product descriptions may differ from actual products. List of specifications is not comprehensive.
